

Keynote Speaker Bio

Dr H. John Fardy, MBBS (UNSW), DRCOG (London), FRACGP

After some years in rural general practice, John was the inaugural Director of the General Practice Training Unit for the Illawarra Area Health Service in the Wollongong Region of New South Wales. Currently, he is on secondment to the University of New South Wales setting up the Illawarra and Shoalhaven Medical Teaching Program, a part of the St George Clinical School. His clinical practice is in general practice in Gerringong on the South Coast of NSW.

John is the Chairman of the National Asthma Council Australia's General Practitioners' Asthma Group (GPAG). He is also Co-President (with Prof. J.J. Reid of New Zealand) of the International Primary Care Respiratory Group (IPCRG).
